BTECH (COMPUTER SCIENCE)

VIT Bhopal University

2023-2027

PROFILE

Enthusiastic and creative B.Tech CSE student at VIT Bhopal with a passion for tech, AI, and visual storytelling. Experienced in building full-stack web solutions using MERN, Flask, Firebase, and Gemini AI. Active hackathon participant with strong problem-solving and presentation skills. Currently exploring AI/ML and React Native for app development. Also skilled in cinematography, photo editing, and prompt engineering with a strong eye for detail and innovation.

EXPERIENCE

Hackathon Finalist – Binary Battle 2025

RNTU Bhopal & Scope Global Skills University

- *Secured 5th position in a 24-hour hackathon despite technical issues during final code submission.*
- *Built a practical solution under pressure; gained hands-on teamwork and presentation experience.*

Freelance Developer & Creative Artist

- Built websites and portfolios for college clubs and peers, focusing on clean UI and responsive design.
- Directed and edited a travel documentary on Chittorgarh, showcasing skills in cinematography and storytelling.
- Provided photo and video editing for professional and campus events.

Actively looking for internship opportunities to expand my skills and work on impactful projects.
Passionate, driven, and always eager to explore new technologies and challenges.
